Homecoming Activities—A Busy Week

Spirit Week Spurs Enthusiasm

Spirit Week gave many people of Clinton High School a chance to express themselves. Each day of the week the students and faculty dressed according to the designated dress of the day, with two winners being chosen each day. The different dress types were as follows: Monday-Clash Day; Tuesday-Grub Day; Wednesday-Dress-up Day; Thursday-50's Day; Friday-Spirit Day. Other activities such as window painting on the square, bonfire, snake dance, and powder puff football were held. Spirit Week, 1975, highlighted by the Homecoming Game and Dance, was a huge success, thanks to the help of the Student Council, the cheerleaders, and all the students and faculty who participated in this event.

Rain Fails to Dampen Clinton Spirits!!

About face!!!

Although there was rain, it didn't dampen the Clinton Maroon's spirits come parade time. The following organizations contributed to making the parade a success: Freshman, Sophomore, Senior classes, G.A.A., Pepperettes, Band, and Cheerleaders. The success of the parade can also be attributed to Student Council and its organization, and the Clinton fans who cheered for the fighting Maroons.

C.C.H.S. began a new tradition this year by electing a Homecoming King in addition to the traditional Queen. This event was enthusiastically accepted by the entire student body, particularly the senior guys. This addition showed that the students here are ready to participate in new ideas.

The student body elected Rex Kent King for 1975-1976 on the night of October 25. Since the Homecoming Game was washed out, the traditional crowning at the game took place the following evening at the dance.

Rain, Rain Go Away!

Pontiac Nips Clinton

The Clinton Maroons gave a good fight against the Indians of Pontiac, but due to a few difficulties the Clinton Maroon homecoming game was lost with a score of 14-6. The Maroon touchdown was scored by a good pass from quarterback Jeff Hickman to Paul Wade who then made a fine run. The points scored by Pontiac were on a blocked punt and an interception. Due to bad weather there was a small amount of wet fans present. Even though the Cheerleaders were soaked and cold they did an outstanding job.

It's About to Begin. . .

"It's About To Begin" was the theme for the 1975 Homecoming Dance held in the high school commons October 25. The dance began promptly at eight p.m. and lasted until slightly after eleven p.m. Due to the weather at the Homecoming game, the Queen and King were crowned at the dance at 9:30. The crowd was excited to hear that the 1975 Queen and King were Penny Koshinski and Rex Kent. After the crowning, the 1975 Queen and King and their dates were featured in the traditional royalty dance, with the music being provided by "Oscar."

Fall Play

"The Man Who Came to Dinner"

The 1975 fall play, presented in the auditorium on November 21 & 22, was "The Man Who Came To Dinner," directed by Mrs. D. Ann Jones. The play was about a rich old man named Sheridan Whitehouse, a writer, who moved into the Stanley household because of an accident that occurred on their front steps. He caused all kinds of trouble for the family, and especially for his Secretary, Maggie. The play was a very funny comedy, both well casted and well directed, and was a complete success both evenings.

Yep! That's me, the Butchershop murderer.

1975-'76 Student Council

Main attraction . . . Ralph??

The main goal of the Student Council is to get the students involved in school government and community affairs.

Two of the projects completed in the 1975-76 year were participating in a drive for the school referendum and having a booth at the Apple and Pork Festival. They also sponsored and produced the Homecoming dance, "It's About to Begin", which was a huge success. Some different things added to the homecoming activities by the council this year were the homecoming king and weekly activities during the Spirit Week. They also sponsored two other dance, one after the last football game and one before the Christmas vacation.

Pictured to the left is a called meeting that had to do with the homecoming king. Along with regular scheduled meeting the president could call special meetings, and all the council members would have to be present.

All in all, the council had a good year and worked hard at their goals.

Clinton placed 7th in the Conference and 8th out of 19 teams in its own invitational. Clinton's top runner was Berle Powless, who set a school record on Clinton's new 3 mile course.

This was Mr. Mark Evans' first year coaching this sport, and his new program proved to be very successful.

Improvement Shown in Varsity Basketball

Great contrast was shown in the fighting Maroons play this year over last. The arrival of head coach Tom Gramkow this year proved helpful to the team. Although the team only had a 7-16 record they showed a great improvement. The win total nearly quadrupled over last season. One highlight was beating U-High for the first time in 7 years, 61-60. Clinton also beat Olympia twice by 9 point margins. Though the record wasn't phenomenal, Clinton fans appreciated the team's effort.

The wrestlers of Clinton High School had a very successful season this year. Starting off with 12 wins in row, the wrestlers finished with a record of 15 wins, 4 losses, and 1 tie. Coach Bartkus did a fine job with the wrestlers. When asked how he felt about the season, he stated "I was very pleased with our season this year. We had an awful lot of surprises. Some of our younger wrestlers did extremely well in tournament competition. I was, however, disappointed in our performance in the district and sectional. I feel our wrestlers can compete in state competition, but this would require sacrifices that most athletes are not willing to make." Mr. Bartkus also stated that the challenges for wrestlers are tremendous; He hopes we have athletes coming back next year with the determination and pride that will take Clinton to the State Tourney.

This was much better than last year's record. Clinton beat Argenta twice and came up on top of Central Catholic once. Their 2 defeats were by Olympia and Monticello. Senior Stars: Ellen Spencer, Debbie McFeeters, Jan Turney.

Clinton Track Team: Another Good Year

For the second straight year, Clinton had an excellent track squad. Though this year's records was not as outstanding as last year's, the team was still very good. Clinton's 10-4 record was one of the best in the area. The team placed 3rd in the Divisional Meet and won it's own carnival.

Highlights of the season were record setting performances by the mile and two mile relay teams. The two mile relay was a new event last year, but Clinton had one of the best area times by running it in 8:25.0. After just missing the oldest Clinton track record, the mile relay, by a few tenths of a second, the boys got it all together and smashed the record of 3:41.0 by running it in 3:34.4. The two teams consisted of only five members: Matt Cowles, Dan Brady, Mike Bundy (all three on both relays), Ed Walls (two mile relay), and John Lappin (one mile relay). With many returning lettermen, the team should be tough next year also.

Cecilia Alves was staying with the Dean Snyder family in rural Clinton. She came to Clinton from Brazil with a group called Youth for Understanding. This organization has exchanged students from 50 different countries since 1951. There are four people in her family. Her parents are Mr. and Mrs. Emmanoel Alves. Her father is in the textile business, and her mother has a public job. Cecilia has one older brother who is studying electronics engineering. Cecilia liked school better in the U.S. than she did in Brazil. When she finished school here, she had to attend high school in Brazil until December. After that, she planned to attend college in Brazil. Cecilia wants to be a secretary. Her hobbies include swimming, volley ball, reading, and listening to music. She particularly enjoys classical and romantic music. Cecilia also plays the piano, tap dances, and takes Ballet lessons. When asked what she liked best about the United States, Cecilia replied "American people are very nice. I liked my family and my friends best."

Each contestant was to perform a talent routine, model in a short and long dress, and answer a few questions.

Robert N. Haley May 1, 1976

In Memory of Bob By Jann Austin

After the years, the heartfelt pain,
After the numb and after the rain,
"Life goes on" is what they all say,
But it's never the same,
Not after the pain.
We'll always remember the good times and the bad,
We'll always remember the times that we've had,
If only we could help
for a second or two—
If only we could feel
that feeling for you.
A hole has been left
in our hearts way down deep,
A hole we must fill
with our memories to keep.
We know that we'll see you
tomorrow in that land
where dreams last forever
we'll again hold your hand.

Bob Haley was very active in school sports and activities. In sports he participated in basketball, cross country, and was the Varsity Basketball Captain. Also, he was active in Margol, Student Council, French Club, Lettermen Club, and served as Student Council President his senior year. During his years at C.C.H.S. Bob was awarded National Honor Society, P.E. Student of the year, Illinois State Scholar, and Who's Who Among American High School Students.
